PROFILE

Communications & social media professional with experience in digital storytelling, content planning, & platform management across the development & media sectors. Skilled in writing social media copy, building content calendars, translating field & project work into engaging digital content, & coordinating with teams to create platform-specific communication.

EDUCATION

LADY SHRI RAM COLLEGE FOR WOMEN

BA Honors-Journalism

WORK EXPERIENCE

Mantra4Change (22 JAN 2025- Present)

At Mantra4Change, I develop communication content for key programs and campaigns by coordinating with teams across states and turning field experiences, program updates, and educator stories into social media content, newsletters, podcast promotions, and event communication. My work includes content planning, campaign messaging, copywriting, cross-team coordination, and adapting stories into platform-specific content across digital formats.

Varahe Analytics (16 AUG 2024-27 DEC 2024)

As a Media Associate at Varahe Analytics, I create daily engaging content by brainstorming innovative ideas & writing scripts that resonate with our audience. My role involves looking for trends to develop impressive media that drives engagement. Working with an active team, I apply creativity & strategic thinking to each project, ensuring our content is relevant & impactful.

INVINCIBLE DIGITAL (23 OCT 2023- 14 AUG 2024)

At Invincible Digital, I elevate website visibility through strategic SEO tactics, driving organic traffic and bolstering online presence. Collaborating with content creators and analyzing data, I optimize keywords to ensure our clients rank at the top of search results, delivering measurable growth.

CHETNA NGO (7 JUNE 2022-7 JULY 2022)

CHETNA works for children in street situations and during my internship period, I assisted in day to day tasks of the Child Care Centers around Delhi NCR.
